SOURCE Cuban national, residing in the US.

Source is a personal and political friend of former President Carlos Prío Socarras and held positions of Cabinet rank during Prío's administration. [Source is normally available for reinterrogation should this report generate additional requirements.]

[This report was developed by an Army representative assigned to the office of preparation.]

1. I have been informed by contacts within pro-Fidel Castro groups that Castro agents in the US are attempting to determine whether there are any military training camps in Cuba, their exact location and the type of operation of the camps. I have been unable to determine the location of the camps.
2. The source has been informed that the suspected person being referred to is Américo Nunez, former aide to the late Guillermo Cienfuegos, Banos, former employee of the Jose Martí International Airport, and of Rebel Army Captain Angel Banos, who arrived in the US with Gutierrez Menoyo, Jesus Dieguez and Eva Gutierrez, not further identified.
